Light Night

10th & 11th October 2019 @LightNightLeeds

Light Night is a multi-arts and light festival which takes over Leeds city centre on a Thursday and Friday night in October. The city's arts and cultural venues open their doors late into the evening, and artists transform indoor and outdoor spaces into exciting, interactive works of art. It is a celebratory showcase for the huge range of diverse and thriving creative activity taking place in Leeds all year round, giving people free access to art and venues that they might not normally see. Email lightnightvolunteers@leeds.gov.uk

Leeds Libraries

@leedslibraries

Leeds International Film Festival

November 2019 @leedsfilmfest

During November 2019, over 100 volunteers will help us run and deliver the largest film event in the North. We will be recruiting from September, so if you would like to give us some of your spare time in exchange for free films, a free festival t-shirt - and an incredible experience where you will get to meet lots of other film lovers - just register your interest by emailing leedsfilmvolunteers@leeds.gov.uk and we will contact you closer to the time to apply. You must be over 18 to volunteer!

Leeds Museums and Galleries

@leedsmuseums

We have various opportunities to work across nine museum and gallery sites. Previous and current volunteers have assisted in a wide variety of tasks including the documentation and research of our collections, helped identify and label collections, carried out cleaning and remedial conservation of objects, assisted in the preparation of our Education and Outreach Programme, carried out basic data entry and live guiding. We are always looking for new ideas for volunteer roles and if you think you have a good idea which will allow you to use existing skills or develop new ones we would like to hear it.
